SUMMARY

Recent Computer Science graduate with strong skills in **Python, Data Analysis, and Business Communication**. Looking for an entry-level role where I can apply my analytical mindset, programming knowledge, and ability to explain insights clearly to support data-driven decision-making.

TECHINICAL SKILLS

Data Analysis & Visualization: Excel (Pivot Tables, VLOOKUP, Charts), Power BI

Databases: SQL, SQLite

Programming: Python (Pandas, NumPy, Matplotlib, Seaborn)

Cloud & Tools: AWS (EC2, S3, IAM), Git/GitHub, Vscode, Google Workspace, MS Teams

Core Competencies: Data Cleaning, Machine learning (basics), EDA, Reporting, Storytelling, Agile Methodologies, SDLC

EXPERIENCE

Medoc Health Care Pvt Ltd

Jan 2025-April 2025

Cloud Intern

- Assisted in deployment and monitoring of applications on **AWS (EC2, S3, S3, IAM, CloudWatch)**.
- Documented workflows, created internal knowledge guides, and maintained Confluence-style documentation.
- Collaborated with cross-functional teams in **daily stand-ups and sprint planning (Agile/Scrum)**.
- Used **Jira** for tracking tasks, bug reporting, and backlog management.
- Gained hands-on exposure to **cloud operations**, project tracking, and **agile collaboration**.

PROJECTS

Insurance Claims Analytic

Key skills: Python, Pandas, Jupyter Notebook

- Performed **EDA and data cleaning** (95% accuracy) on **10,000+** healthcare claim records using Python (Pandas, NumPy).
- Applied **Logistic Regression** model to predict potential fraudulent claims.
- Visualized claim patterns with **Matplotlib/Seaborn** and highlighted **risk indicators** for business stakeholders.
- Delivered business insights & predictive analysis simulating a real-world fraud detection system.

Sales Performance Dashboard

Tools: Power BI, Excel, Power Query, DAX

- Built an **interactive dashboard** in **Power BI** to analyse regional and product-wise sales performance.
- Automated reporting using **Power Query & DAX formulas**, saving ~5 hrs/week of manual Excel work.
- Highlighted **key KPIs (Revenue, ARPU, Category Trends)** to support **data-driven decision-making**.

EDUCATION

Medi-Caps University, Indore

2021-2025

B-Tech: Computer Science Engineering: **CGPA:8.14**
